

1. Introduction

This document serves as the official **Customer Support Knowledge Base** for handling user queries related to services, orders, payments, and technical issues.

The purpose of this knowledge base is to:

- Provide consistent and accurate responses
- Reduce manual support workload
- Enable AI-based customer support systems (RAG-based assistants)
- Improve customer satisfaction through faster resolution

2. Refund Policy

Refunds are issued under specific conditions to ensure fairness for both customers and the company.

Eligibility Criteria

- Refund must be requested within **7 days of purchase**
- Product/service must not be fully consumed or misused
- Valid proof of purchase is required

Refund Process

1. Customer submits request
2. Support team verifies eligibility
3. Refund is approved/rejected
4. Amount is processed

Processing Time

- Takes **5–7 business days**
- May vary depending on payment provider

Exceptions

- No refund for discounted items
- No refund after usage beyond limit

3. Delivery Policy

Delivery timelines depend on the selected shipping method.

Standard Delivery

- 3–5 business days
- Economical option

Express Delivery

- 1–2 business days
- Higher charges apply

Additional Considerations

- Delays may occur during holidays
- Incorrect address may delay delivery
- Weather/logistics issues may affect timelines

Tracking System

Customers receive:

- Tracking ID
- Real-time updates

4. Account Management

User accounts are essential for accessing services securely.

Password Reset

- Use “Forgot Password” option
- OTP/email verification required

Account Lock

Reasons:

- Multiple failed login attempts
- Suspicious activity

Solutions:

- Wait for auto-unlock
- Contact support

Security Measures

- Two-factor authentication recommended
- Strong passwords required

5. Payment & Billing Support

Payment failures are common due to multiple reasons.

Common Issues

- Insufficient balance
- Network issues
- Bank restrictions

Supported Methods

- Debit/Credit Cards
- UPI
- Net Banking
- Wallets

Troubleshooting Steps

- Retry after few minutes
- Check bank notifications
- Use alternative method

Duplicate Payments

- Automatically refunded within 5–7 days

6. Order Management

Order Placement

- Orders confirmed after successful payment

Order Cancellation

- Allowed within **2 hours of placement**
- Not allowed after shipping

Order Modification

- Address can be updated before dispatch

7. Return Policy

Returns are allowed under controlled conditions.

Conditions

- Request within **10 days**
- Product must be unused
- Original packaging required

Return Process

1. Raise return request
2. Pickup scheduled
3. Quality check
4. Refund/replacement issued

8. Technical Support

Technical issues may arise due to device or system limitations.

Common Fixes

- Clear cache & cookies
- Restart application
- Update to latest version

Advanced Issues

- Server downtime
- App bugs
- Compatibility issues

Resolution Flow

User → Troubleshooting → Support → Escalation

9. Escalation Policy

Some issues cannot be resolved automatically.

When to Escalate

- Missing information
- Complex queries
- System failure
- Customer dissatisfaction

Escalation Levels

1. Level 1 → AI assistant
2. Level 2 → Support agent
3. Level 3 → Technical expert
